

For the next 7 weeks, we will be looking at Jesus' own words from the book of Matthew. Jesus didn't just teach ideas, he lived out His own words! We'll see this as we continue in Matthew through Easter and examine the events from Palm Sunday through the Resurrection!

Observe the birds.
Look at the wildflowers.

Each has all that they need.
They are not overcome with stress or undone with worry.

Jesus' own teaching implores us to heed this kind of dependence on our Heavenly Father in *Matthew 6:19-34*

We are reminded that our treasures are not to be stored here on earth, but in Heaven!

How amazing is God to keep these reminders always before us and around us each and every day!
