

Fully loving God isn't just about head knowledge, or a change of heart, or action steps with our hands. But when we combine our knowledge of God, with our new heart He provides, and loving others through our actions, we can fully express and experience the Love of God!

John 13 tells us about when Jesus serves His disciples by washing their feet.

Such a beautiful picture of servanthood from our Savior?!

And also a powerful image of the complete cleansing power of Jesus blood on the cross!

Ours sins are not final; they have been paid for and removed. And because of that gift, and Jesus' servanthood example, we are to serve those around us in the same way!
