

This summer, we are looking at 7 of the names of God! Each name of God gives us a new layer into the ways He provides and cares for us! Each name describes another aspect of God's character, helping us see just how perfect and complete God really is!

Elohim (Creator) [El-o-HEEM]

Elohim. God is our Creator. This seems like such a basic idea. And yet, how does this impact our awe and wonder as we stare at the trees around us? Or see an animal run past? Or a bird soar on in the wind? Or marvel at the depths of the ocean? The same God who spoke every detail into existence, made each of us, as well. He created us in His image. He has both a plan and a purpose in why flowers have a specific amount of petals and how our bodies work!

READ

Read Genesis 1-2 together.
Then read Psalm 148 together.

DISCUSS

Let each family member narrate what they heard. What stood out to you?

WALK

Grab paper or a journal and a pencil. Go for a walk and draw God-created things that stand out to you!

PRAISE

Just like Psalm 148, play praise songs praising God for creating everything with such care.

For each AKM Series, we select a memory verse we work on each Sunday.
If you'd like to join us in working on it as a family, display this page to practice during the week.

Stand up and **bless** the **Lord** your **God**
from everlasting to everlasting.

Blessed be your glorious name,
which is exalted above all blessing
and praise.
