

We use the word awesome to describe a lot of things: our favorite food, plans we are excited about, when we learn how to do something new. While other things can be exciting, good, and mind-blowing, nothing can truly inspire AWE except the wonders and things of God! He is AWESome!

John 3:16 is so often recited and printed on everything from frames and mugs to shirts and bracelets.

Do we move past it because we know the words or do we actually let the weight of the words sink in?

God sent His son--who never sinned--to be sin for each one of us. He did this so that sin would no longer separate us. If sin no longer separates, we can enjoy eternity with the AWESOME God that spoke everything into existence.
