

We can understand the Gospel message and even have accepted Jesus as our Savior and still be confused over certain words. In this series, we'll dig into some common ones to help define some hard to understand words. When we understand confusing or unfamiliar words, we can better grasp God's Word and grow deeper in our faith.

When we both understand and accept that Jesus died to pay the price for our sins, we get salvation. We can KNOW that we will spend all eternity with God in Heaven.

Neither communion nor baptism save us. But each is a very important act of obedience.

Communion reminds us of the sacrifice Jesus made on the cross for each of us. When we eat the bread and drink the wine (juice), just as Jesus did with His disciples, we remember.

Baptism is a way to show others the change salvation has made in our hearts & that we believe Jesus is Lord of our lives.
