

The Bible is one incredible book made up of 66 smaller books. Each one was inspired by God and written by different men, in different places, at different times throughout history. Together, they tell the thrilling story of God and His relationship with His people. What's truly amazing is that although these books were written over a span of more than 1,500 years, they fit together perfectly to tell one beautiful story —God's BIG story: Creation, Fall, Promise, Jesus, and Church.

God promised to send Jesus and God keeps His promises!

But what did sending Jesus accomplish? Jesus is the only person to walk the earth to never sin. His perfect obedience allowed Him to pay the price for my sin, your sin, the sin of the world!

Out of His great love for us, God sent His son. Jesus was able to bridge the gap created by sin. He restored us back to God.

God gave us Jesus to forever fix the separation created by sin! What an amazing rescue plan God made!
